*"If it happened in Fort Worth ...
it's news to us!"*

Fort Worth SPJ gave national president Wendy Myers its traditional branding iron at the November meeting. She liked it. She liked it a lot.

Dear Mike:

Y'all know how to throw a party! Thanks for such a warm welcome to Fort Worth. My co-workers and family were impressed with my branding iron. It's hanging on my office wall and will be the most unique gift I'll receive as national president.

The JFK assassination program was fascinating. Hearing firsthand accounts of the day's events made history come to life. Kudos to you for putting together such an authoritative panel and fun atmosphere. I see why your program attendance is soaring!

Thanks for accompanying Charles Davis and me to the meeting with Wes Turner at the Fort Worth Star-Telegram. This important visit confirmed the paper's support of the 2002 SPJ convention in Arlington and let us describe how SPJ can help their reporters and editors.

Please thank all your Fort Worth members for my gift and reception. Y'all made me feel like family.

Warm Regards,
Wendy S. Myers
